*It pays to be professional...*

## GET INVOLVED!

Our corporate partners are a very important part of our business in terms of supporting the industry and supporting the work that we do on behalf of our contractor members.

As a corporate partner of the NAAC you will automatically receive free exhibition space at our flagship event, Contractor, held on a biennial basis at the Peterborough Showground.

The NAAC also encourages partners to become involved with our contractors as often as possible, whether its providing a lunch at an agricultural show or hosting an NAAC day at your premises and showcasing your latest machinery/products/services. All ideas are welcome.

We also run a series of training days, social events, industry workshops, trips throughout the year which can provide our corporate partners with additional opportunities with the contractor membership.
